- You're a hard pill to swallow
- But I wanna take you
- You're a sweet remedy
- But I wanna break you
- Here I am, stuck on the sidelines
- Just trying to catch my breath
- Baby, I get so confused
- I've got a bad medicine feeling
- I don't need no cure
- 'Cause I'm already yours
- It's a bad medicine
- And I don't need no doctor to cure my disease
- It's a bad medicine
- But I don't care what the remedy is
- Bad medicine
- Bad medicine

- Bad medicine
- Bad medicine
- Oh!
