They come in various sizes and colors, making them suitable for most children's parties and community events in Frankenmuth.

Themed Bounce Houses

Combo Units

Combo bounce houses combine multiple activities such as bouncing, sliding, and climbing into one inflatable. These units maximize entertainment by offering varied physical activities in a single rental. They are ideal for larger events or parties with many children to keep everyone engaged.

Water Bounce Houses

Water bounce houses or wet inflatables are perfect for summer events in Frankenmuth. These units incorporate splash pools, water slides, or sprinklers to provide a fun way for kids to cool off while bouncing and playing. Setup and Anchoring

Proper installation is crucial for the safe use of bounce houses. Rental providers ensure that inflatables are securely anchored to the ground using stakes, sandbags, or water

barrels depending on the surface. This prevents tipping or shifting during use, minimizing the risk of accidents.

Supervision and Usage Guidelines

Adult supervision is essential whenever children are using a bounce house. Clear usage guidelines, such as limiting the number of participants, separating children by age or size, and prohibiting shoes or sharp objects inside the inflatable, help maintain a safe environment.

Weather Considerations
