Additional Resources

1. *The Hilo Adventures Series* by Judd Winick

This graphic novel series follows the story of a young boy named Hilo who falls from the sky and befriends two siblings, D.J. and Gina. Together, they embark on thrilling adventures to save the world from alien threats and mysterious forces. The series combines humor, heart, and action, making it a favorite among middle-grade readers. Judd Winick's storytelling and vibrant illustrations bring the characters and their world to life.

2. *Big Nate: In a Class by Himself* by Lincoln Peirce

Although not directly related to Kyle Tomita or Hilo, this series features a similar style of engaging, humorous graphic novels for middle-grade readers. Big Nate's antics and school adventures parallel the fun and energy found in the Hilo books. Fans of Hilo will enjoy this series for its witty dialogue and relatable characters.

3. *Amulet Series* by Kazu Kibuishi

The Amulet series is another popular graphic novel set that appeals to fans of Hilo. It follows siblings Emily and Navin as they navigate a magical world filled with danger and mystery. Like Hilo, it combines fantasy elements with strong character development and exciting plot twists.

4. *Dragonbreath* by Ursula Vernon

This illustrated chapter book series features a young dragon named Danny Dragonbreath who solves mysteries and embarks on adventures. The blend of humor, fantasy, and engaging storytelling makes it a good companion read for fans of the Hilo series.

5. *Ghosts* by Raina Telgemeier

Raina Telgemeier's graphic novel explores themes of family, culture, and the supernatural. While it has a more emotional and reflective tone compared to Hilo, it shares the graphic novel format and appeals to a similar middle-grade audience.

6. *Smile* by Raina Telgemeier

This autobiographical graphic novel recounts Raina's experiences with dental drama and middle school challenges. Like Hilo, it uses humor and relatable characters to engage young readers, making it a great complementary read.

7. *The Last Kids on Earth* by Max Brallier

This series combines humor, adventure, and a post-apocalyptic setting where kids fight off monsters. Fans of Hilo's action-packed storylines and youthful protagonists will find this series entertaining and exciting.

8. *Zita the Spacegirl* by Ben Hatke

This graphic novel follows Zita, a young girl who becomes an intergalactic hero after her friend is kidnapped. Its sci-fi adventure and strong female lead resonate with the themes found in the Hilo series.

9. *Bone* by Jeff Smith

Bone is an epic graphic novel series blending fantasy, humor, and adventure. Like Hilo, it features young protagonists on a quest, facing strange creatures and challenges, and is beloved by readers of all ages.
