Seating and Cabin Layout

The seating arrangement in Lufthansa A340 business class is designed to provide maximum comfort and privacy for passengers on long-haul flights. The cabin typically features a 2-2-2 or 2-2 configuration, depending on the specific aircraft variant and route. Seats are fully lie-flat or angled lie-flat, allowing passengers to rest and sleep comfortably during overnight journeys.

Seat Features and Comfort

Each business class seat on the Lufthansa A340 is ergonomically designed with adjustable headrests, lumbar support, and ample legroom. The seats offer direct aisle access in many configurations, enhancing convenience and privacy. Additionally, passengers benefit from generous storage compartments to keep personal items within easy reach. The upholstery and cushioning are crafted with premium materials to ensure a relaxing environment throughout the flight.

Cabin Ambiance and Design

The Lufthansa A340 business class cabin features a modern, elegant design with soothing color schemes and ambient lighting tailored to reduce jet lag.

The spacious layout avoids overcrowding, promoting a calm and peaceful atmosphere. Overhead bins are large and easily accessible, accommodating carry-on luggage without hassle. The cabin's overall aesthetic reflects Lufthansa's commitment to quality and passenger comfort.

In-Flight Amenities and Entertainment

Lufthansa A340 business class passengers enjoy a wide range of amenities designed to enhance their travel experience. These include advanced in-flight entertainment systems, connectivity options, and comfort accessories tailored to long-duration flights.

Entertainment System

The aircraft is equipped with state-of-the-art personal seatback screens offering a vast selection of movies, TV shows, music, and games. Passengers can navigate the entertainment options through intuitive touchscreens or remote controls. Additionally, noise-canceling headphones are provided to ensure an immersive audio experience. The entertainment system is regularly updated to include the latest content, catering to diverse preferences.

Connectivity and Power

Wi-Fi service is available on Lufthansa A340 flights, allowing business travelers to stay connected throughout their journey. Power outlets and USB ports are integrated into each seat, enabling passengers to charge electronic devices such as laptops, tablets, and smartphones. This connectivity ensures that productivity can be maintained even at 35,000 feet.

Comfort Accessories

Passengers receive amenity kits containing essentials such as eye masks, earplugs, skincare products, and dental care items. High-quality blankets and pillows are also provided to maximize comfort during rest periods. These thoughtful touches contribute to a more pleasant and restful flight experience.
