Popular Cheats and How to Use Them

New Super Mario Brothers Wii cheats include a variety of input combinations and gameplay techniques that unlock special features and advantages. These cheats often involve specific controller inputs or in-game actions that trigger hidden benefits. By utilizing these cheats, players can obtain power-ups, extra lives, and even invincibility for a limited time, which can drastically improve their chances of success in challenging levels.

Invincibility Cheat

One of the most sought-after cheats in New Super Mario Brothers Wii is the invincibility cheat, which allows Mario and friends to temporarily avoid damage from enemies and obstacles. This cheat typically involves collecting a specific power-up or executing a series of actions within a stage.

Extra Lives Cheat

Accumulating extra lives is crucial for progressing through difficult parts of the game. Certain areas contain hidden 1-Up mushrooms or require players to perform precise jumps to reveal extra life bonuses. Using these cheats effectively can increase the total number of lives, making it easier to continue playing without restarting.

How to Enter Cheat Codes

Unlike some games that have dedicated cheat code menus, New Super Mario

Brothers Wii cheats are mostly discovered through gameplay actions or hidden secrets. Players should pay attention to environmental clues, hidden blocks, and specific sequences of button presses during gameplay. Additionally, certain cheat codes can be activated by completing particular challenges or finding secret items.

Unlockable Characters and Abilities

New Super Mario Brothers Wii offers players the opportunity to unlock additional characters and unique abilities through various cheats and in-game achievements. Unlocking these characters often requires completing specific levels or finding hidden secrets.

Unlocking Toad and Luigi

Toad and Luigi are popular characters that can be unlocked through gameplay progression and cheat-related requirements. Luigi is typically unlocked by completing the main storyline or achieving particular milestones, while Toad can be accessed by discovering hidden paths or fulfilling certain game conditions.

Special Abilities Through Power-Ups

Power-ups like the Propeller Mushroom, Ice Flower, and Penguin Suit grant players enhanced abilities such as flying, freezing enemies, and sliding on ice. Learning how to obtain and effectively use these power-ups is essential for maximizing the advantages provided by cheats and secret items.

Secret Levels and Shortcuts

Exploring secret levels and shortcuts is a key aspect of New Super Mario Brothers Wii cheats. These hidden areas often contain valuable rewards, alternate paths, or increased difficulty for experienced players seeking extra challenges.

Accessing Secret Levels

Secret levels are usually unlocked by finding hidden exits within the main stages or by completing specific tasks. These levels provide unique environments and often contain rare collectibles or power-ups that cannot be found elsewhere in the game.

Using Shortcuts to Skip Levels

Certain shortcuts allow players to bypass difficult sections or entire levels. These shortcuts may involve using secret pipes, hidden warp zones, or special platform sequences. Utilizing these can save time and make progressing through the game more manageable.

Gameplay Tips to Maximize Cheats

Effectively using new super mario brothers wii cheats requires strategic gameplay and knowledge of the game's mechanics. Implementing the following tips can help players maximize the benefits of cheats and improve overall

performance.

1. **Master Timing:** Many cheats depend on precise timing, such as hitting hidden blocks or activating power-ups at the right moment.
2. **Explore Thoroughly:** Secret areas and cheat triggers often require careful exploration and interaction with the environment.
3. **Practice Controls:** Familiarity with the Wii controller enhances the ability to perform complex maneuvers necessary for some cheats.
4. **Use Power-Up Combinations:** Combining certain power-ups can unlock new abilities or make cheats more effective.
5. **Play Multiplayer:** Some cheats and secrets are easier to discover or utilize in multiplayer mode with friends.

Frequently Asked Questions About New Super Mario Brothers Wii Cheats

Several common questions arise regarding the use and availability of cheats in New Super Mario Brothers Wii. Addressing these queries helps clarify how to access and benefit from the game's hidden features.

Are Cheat Codes Officially Supported?

New Super Mario Brothers Wii does not have a traditional cheat code system built into the game. Instead, cheats are discovered through hidden secrets, gameplay mechanics, and item usage. While there are no official cheat menus, the game encourages exploration and experimentation to uncover these features.

Can Cheats Affect Game Progress?

Using cheats and shortcuts generally does not negatively impact game progression. In fact, they often help players advance through difficult segments. However, some cheats may disable certain achievements or rewards, so it is advisable to use them strategically.

Is Multiplayer Mode Affected by Cheats?

Multiplayer mode allows for cooperative gameplay, and many cheats can be utilized by all players. Some secret areas and power-ups are easier to access when playing with others, enhancing the overall experience.

Frequently Asked Questions

Are there any cheat codes for New Super Mario Bros. Wii?

New Super Mario Bros. Wii does not have traditional cheat codes, but players

can use exploits, glitches, or utilize external devices like Action Replay to access cheats.

How can I get infinite lives in New Super Mario Bros. Wii?

You can get infinite lives by repeatedly jumping on the green Koopa Troopa shell near the starting point in certain levels, or use the 1-Up Mushroom farming spots available in the game.

Is there a secret way to unlock all characters in New Super Mario Bros. Wii?

To unlock all characters like Luigi, Toads, and Yellow Toad, you need to complete specific levels or worlds. For example, Luigi is unlocked after beating the game once.

Can I use Action Replay codes to cheat in New Super Mario Bros. Wii?

Yes, Action Replay codes are available for New Super Mario Bros. Wii that can give you unlimited lives, stars, and other cheats, but using these may affect your game experience.

Are there hidden levels or secrets unlocked via cheats in New Super Mario Bros. Wii?

No official cheat unlocks hidden levels, but exploring the game thoroughly and completing certain challenges unlocks secret levels and paths.

How do I unlock the Ice Flower power-up in New Super Mario Bros. Wii?

The Ice Flower is unlocked by defeating the final boss Bowser in the game and accessing certain secret levels, rather than through cheats.

Is there a way to play as Nabbit in New Super Mario Bros. Wii using cheats?

Nabbit does not appear in New Super Mario Bros. Wii; he is a character introduced in New Super Mario Bros. U, so no cheats exist for playing as Nabbit here.

What are some popular glitches used as cheats in New Super Mario Bros. Wii?

Popular glitches include the infinite 1-Up glitch using Koopa shells or the flagpole glitch to skip levels, which players use as cheats to gain extra lives or progress faster.
