Tips for Choosing the Right Paint

Selecting the appropriate paint can significantly impact the longevity and appearance of a project. Sherwin Williams Medina offers practical advice to help customers make informed decisions tailored to their specific needs.

1. **Assess Surface Type:** Determine if the surface is interior, exterior, wood, metal, or masonry to choose compatible paint.
2. **Consider Finish:** Select the finish level based on the area's usage and desired aesthetic.
3. **Evaluate Durability Needs:** High-traffic areas may require more durable, washable paints.
4. **Check VOC Levels:** Opt for low or zero VOC paints for healthier indoor air quality.
5. **Use Samples:** Test paint samples on walls to view colors in different lighting conditions before full application.
