Introduction to Spurgeon Morning and Evening Devotionals

Charles Haddon Spurgeon, often referred to as the "Prince of Preachers," authored the original Morning and Evening devotional in the 19th century. This devotional collection contains daily readings crafted to encourage believers through Scriptural passages and Spurgeon's powerful reflections. Each day offers two readings: one for the morning, focusing on beginning the day with God's word, and one for the evening, aimed at reflecting on the day's experiences through a spiritual lens. The devotional's enduring popularity is due to Spurgeon's eloquent biblical insights and his ability to communicate deep theological truths in an accessible manner.

History and Origin of Morning and Evening

First published in 1866, Morning and Evening has become one of the most beloved Christian devotionals worldwide. Spurgeon compiled these readings from his sermons and writings to provide daily spiritual encouragement. The devotional's structure, combining Scripture with concise, thought-provoking commentary, has helped countless believers maintain a daily habit of Scripture

engagement and prayer.

Content and Structure

Each day in Morning and Evening contains two distinct devotionals, one designed for the start of the day and one for its close. This format allows readers to begin with God's word and end with reflection and spiritual rest. The readings are concise yet profound, typically including a Bible verse followed by Spurgeon's commentary, which often challenges and comforts simultaneously.
